8TH CONVENTION AND GRAND REUNION

10-13 SEPTEMBER 2015
SYDNEY, AUSTRALIA

HOSTED BY: MAPUA ALUMNI AUSTRALIA

MESSAGE

Greetings to all participants in the MapuaWorld 2015 held in Sydney, Australia on 10-13 September 2015, and a warm welcome to Sydney for those who have travelled far and wide to attend this event.

I am glad to note the various projects of the Mapua Alumni, particularly its scholarship program which brings benefits to many of our talented and promising youth back home.

I take this opportunity to also thank all of you for your generous response to the needs of our kababayans in times of natural disasters.

May your group remain committed to pursuing projects and activities that impact positively on the lives of our countrymen. With your collective resources, talents, skills, expertise and creative minds, I believe that you could do even more to assist our kababayans and to contribute to the task of Philippine nation-building even as you work and reside overseas.

Amongst you are engineers, architects and science graduates who hold a wealth of knowledge and experience. I hope that you would avail of opportunities to share this wealth of knowledge and experience through initiatives such as the Balik Scientist Program under the Department of Science and Technology (DOST).

I wish to acknowledge the efforts of the members and supporters of the Mapua Alumni Australia, led by its President, Mr. Rey Baraceros, who have all worked tirelessly to ensure the success of this event. Congratulations to the Mapua Alumni Australia team on securing the opportunity to host this event in Sydney.

I wish you all a successful meeting and celebration. Mabuhay!

MESSAGE

In behalf of the Mapua officers, faculty members, administrative staff and students, I would like to extend my warmest greetings to the participants of Mapuaworld 2015 and to commend Mapua Alumni Australia and the Organizing Committee for a job well done.

As Mapua tries to intensify its efforts at internationalization, in keeping with the globalized nature of life today, the successes of alumni all over the world, many of whom are present at this gathering, gives us lots of confidence that we are on the right track and that we can continue the proud tradition of producing graduates who can make it, and make it big, anywhere in the planet.

In this internationalization initiative, to begin with, we have made sure that Mapua's programs are formally internationally recognized. Thus, the accreditation by US-based ABET of 10 of our programs. Our student and faculty exchange programs are now picking up. We have reciprocal relations with many universities around the world. Our students now do OJT and plant visits not only in the Philippines but also in countries in various continents. We have instituted dual degree programs and are about to engage in collaborative research with a partner university in Taiwan.

In the years to come, we hope to be able to ramp up our research output in terms of papers published in international refereed journals and in terms of intellectual property generated. We also hope to be able to increase the number of our international students on residential, blended or online mode. We hope to firmly join the ranks of the world's best schools.

I wish more success to you, our dear alumni from all over the globe. **Mabuhay!**

MESSAGE

Warm greetings to the officers and members of the Mapua Alumni Australia, Inc and to all Mapua alumni.

This gathering of Mapua alumni from the four corners of the world to reconnect, to reminisce and strengthen ties with each other is a clear indication that the Mapua spirit is alive and ibrant. This show of solidarity amidst our fragmented world is heartwarming.

May I enjoin each and everyone to translate this solidarity into more concrete action by sharing your time, talent and treasure to support the endeavors of NAMA in conjunction with FOMI (Foundation of Outstanding Mapuans, Inc). NAMA and FOMI try in their own little way to uplift the lives of our less privileged countrymen by undertaking projects such as the construction of school buildings in calamity stricken areas in our country. Many of you have extended your help and I am sure many more will do so.

My hat off to the Australia Alumni Association, Inc. for undertaking this daunting task of organizing and seeing into fruition **MAPUA WORLD 2015.**
MABUHAY at MARAMING SALAMAT!

To all who travelled far and wide to make **MAPUA WORLD 2015** a success,
WELCOME and MARAMING SALAMAT po!

MESSAGE

Fellow Mapuans all over the world, warmest greetings and welcome to MapuaWorld 2015 in Sydney, Australia. A huge congratulations as well to the officers and members of Mapua Alumni Australia (MAA) for taking the responsibility of hosting this biennial event.

"We are proud, we are one, we are Mapuans" is indeed a very fitting theme for this event for it embodies the collective character and demeanor of a Mapua alumni. We exude pride but in a confident and restrained manner and are united as one in keeping our and our Alma Mater's good name, whatever we do and wherever we are.

Viva Mapua! God bless us all!

International Association of Mapua Alumni-Ontario

MESSAGE

On behalf of the Mapúans Ontario, aka International Association of Mapúa Alumni, Ontario, I am pleased to extend my warmest greetings to everyone participating in MapúaWorld 2015.

From the very first event – MapúaWorld 2000, held in Toronto, Ontario, Canada in August 2000, it evolved into a biennial event that not only gives an opportunity for the attendees to reconnect with former classmates, renew friendships and forge new ones, in days of fun and festivity, but also benefit from technical seminars that are now part of this convention and grand reunion.

I wish to thank **Mapúa Alumni Australia (MAA)** for hosting MapúaWorld 2015 in the beautiful city of Sydney, Australia. Your enthusiasm and determination in hosting this event is very commendable. The theme of this event – **"We are Proud, we are One, we are Mapúans"**, embodies the objectives of past MapúaWorld events to strengthen unity among Mapúans around the globe. Your goal to help build MapúaWorld, in order to "preserve our history, identity and legacy", is truly inspiring.

Please accept my best wishes for a memorable evening.

Founding President, MapúaWorld

MAPUA ALUMNI AUSTRALIA

MESSAGE

On behalf of all Mapuans in Australia, I welcome all the participants in Sydney to celebrate our achievements with Mapua World 2015.

I would like to thank Josie Cuisia and the supporting officers for instilling this idea of an international grand reunion for all Mapuans, giving these artful plans a taste of reality. I would also like to thank the founding officers and members of Mapua Alumni Australia, led by Mauricio De Vera. Without the humble ideas and diligence from everyone involved, bringing together worldly elements of success would currently only be an aspiration. Most of all, I would like to commend the working committee of Mapua World 2015, their families and all the support groups who made this gathering a lifetime experience to cherish.

Let's reminisce all the memories – good and unpleasant – with old classmates; we're all a part of this family of optimism and prosperity, and share a bond that only Mapua graduates know. Let's celebrate the success stories of our Mapuan siblings and make this event one to inspire, encourage and empower our alumni to continue to strive for their dreams. I invite you to use this opportunity to assist our countrymen to have the same goal-oriented nature we all possess, sharing our skills and blessings for them and their families. Let us make Mapua World an instrument of hope that creates opportunities for our Mapua students and alumni. Let us Make A Difference, as we keep the Proud Mapuan spirit.

I know we all have many stories to share and ideas on building something big. Soon, our ideas will become reality and grow in a scale more than you can imagine! So let's transcend these geographical barriers as we celebrate in Australia and slowly piece together our ambitions one step at a time.

Viva Mapua!!! Mabuhay ang Pilipinas!!!

MESSAGE

G'day and welcome to Sydney!
At long last, four years of preparation has come down to an exciting four days of celebration!

We are pleased and honored to host the 8th MapuaWorld Convention and Grand Reunion in 2015. The overwhelming support and attendance of delegates coming from across the globe encouraged us to push our hardest to deliver a successful event, and ultimately bring about an even more popular MapuaWorld to all as did our predecessor hosts.

We thank all the Mapuans along with their families and friends who have travelled from long distances to visit our shores, knowing the fact that Australia is located at the bottom of the globe. Nevertheless, we can only hope that our city live up to its reputation and your expectation not just as a world's 'must see' destination but also as one of the most livable cities in the world. We hope that your travel experiences here and the events and activities we have organized for you will be amongst the most memorable and unforgettable. Take time and enjoy everything Sydney has to offer, all within easy reach around the city center. Pick up a few dinky-di slangs along the way like a true blue Aussie.

From day one, countless hours and meetings have been put into organizing the grand reunion. For this, I would like to sincerely thank the dedicated MW working committee along with the officers and members of our young alumni association who have unselfishly contributed their time and efforts to proudly host this event. We have challenged ourselves, done our very best, and exceeded our expectations. We could not have done more than we already have.
We acknowledge and convey our heartfelt appreciation to all our event sponsors, patrons and the Souvenir Program advertisers. We could not have accomplished this feat without your support.

Let us continue this journey together as we celebrate the true spirit of mateship and camaraderie, and show the world our oneness forged from the cauldron of our dear alma mater, the Mapua Institute of Technology, for "We are proud, we are one, we are Mapuans".

The History of MAPÚAWORLD

During its monthly meeting on February 27, 1999, Mapuans Ontario [aka International Association of Mapúa Alumni, Ontario (IAMAO)], conceived the idea of an international grand reunion to welcome the new millennium. It would be a gathering of MAPÚANS coming from different parts of the world, in the year 2000. The goal of the event was to provide an opportunity to build closer and beneficial relationships with other Mapúa alumni groups around the world.

"MAPÚAWORLD 2000: Bringing Professional Fellowship to Greater Heights", was held in Toronto, Ontario, Canada on August 4-6, 2000. It's objective – to promote camaraderie among Mapúans around the world in the year 2000 and beyond. At the event's Gala Night, Josie Cuisia (then IAMAO President) expressed their wish to see the MAPÚAWORLD 2000 banner go around the globe. Southern California Mapúa Alumni (SCMA), led by the late Precy Ordinario (ME '72) took the challenge to host the next gathering. At the conclusion of the 3-day event, under a resolution by the delegates led by Gerry Rulloda (ME '72) and Felipe Rey Gregorio (EE '72) the MAPÚAWORLD Commission was formed. Its primary function is to serve as the governing body to help select future sites and support future events.

MAPÚAWORLD has evolved into a biennial event that includes technical seminars in its program of activities. This was initiated by NAMA (National Association of Mapúa Alumni) in Manila, in 2007. SCMA hosted MAPÚAWORLD 2002 in Long Beach, California on February 8-10, 2002. The theme of the gathering was "I am proud to be a MAPÚAN".

Subsequent hosts were:

NAMABC (NAMA British Columbia) - MAPÚAWORLD 2004 on July 10-Aug 1, 2004 NAMA (National Assoc. of Mapúa Alumni) – MAPÚAWORLD 2007 on Jan 17–20, 2007
TAMA (Texas Assoc. of Mapúa Alumni) – MAPÚAWORLD 2009 on Mar 12–15, 2009 MAAAC (Mapúa AA Alberta Chapter) – MAPÚAWORLD 2011 on Jun30 –Jul 3, 2011
HAMA (Hawaii Assoc. of Mapúa Alumni) – MAPÚAWORLD 2013 (Mar 14–17, 2013)
Today, MAPÚAWORLD is being held in the beautiful city of Sydney, Australia, hosted by MAA (Mapúa Alumni Australia)

The qualification of MAPÚAWORLD as an event – "Grand Reunion and Convention", was initiated by MAAAC at the MAPÚAWORLD 2011.
MAPÚAWORLD 2017 will be hosted by NAMA in Manila, Philippines, in 2017.

Each of these alumni groups may its own objective as a group, but one thing is sure: they are PROUD to be MAPÚANS and all strive to uphold the prestige and integrity that the MAPÚA INSTITUTE OF TECHNOLOGY, has maintained.

Mapúans Ontario (aka IAMAO) executives envision a MAPÚAWORLD that will give a perfect opportunity for the alumni to reflect on past achievements, showcase present accomplishments and meet the challenges of the future.

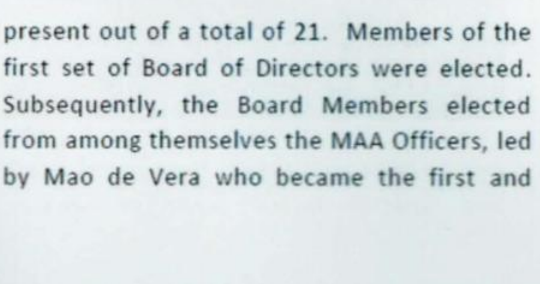
MAPUA ALUMNI AUSTRALIA TURNS SEVEN

HOW IT ALL BEGAN

Meeting in a suburban Sydney restaurant on 26 September 2008, some fifteen graduates of Mapua Institute of Technology agreed to form an alumni association that would henceforth be known as Mapua Alumni Australia (MAA). The founding members committed themselves to work on the formulation of a Constitution/ By-Laws and to register the association with the Fair Trading Board of New South Wales.

On 15 November 2008, the alumni group signed a formal resolution on the formation of MAA, its purposes and the formation of an Interim Board of Directors. In the same meeting, the draft Constitution/By-Laws was discussed and amended and 16 alumni became financial members. On 13 December 2008, the Interim Board finalized and ratified the Constitution/By-Laws, as well as, made plans for the first annual general meeting which was set for 7 March 2009. On 8 January 2009, the association was registered with the Fair Trading Board of NSW as a legal entity to be known officially as Mapua Alumni Australia, Inc.

On 7 March 2009, the first annual general meeting was held as scheduled (photo below). There were 18 financial members present out of a total of 21. Members of the first set of Board of Directors were elected. Subsequently, the Board Members elected from among themselves the MAA Officers, led by Mao de Vera who became the first and founding president of MAA. Elections were conducted in accordance with the rules and procedures as written by an interim Elections Committee.



Since 2008, MAA has grown steadily with membership spreading out to other Australian states like Western Australia, Queensland, and South Australia. At the same time, MAA gained a foothold in and became a solid part of, the local Filipino community.

Find more about MAA history at http://www.mapuaozalumni.com.au/.

GOVERNANCE

As per the MAA Constitution/By-Laws, the association is governed by an 11-member Board of Directors elected by the general membership during the annual general meeting. The Directors elect from among themselves the MAA Officers. The MAA Board holds regular quarterly meetings as well as special meetings as needed.

MAA operates on a policy of transparency with attendance to the Board meetings being open to all members. The group is held together by the key values of **UNITY, LOYALTY** and **SOCIAL RESPONSIBILITY.**

ACHIEVEMENTS AND ACTIVITIES

MAA SCHOLARSHIP PROJECT

In partnership with its mother organization, the National Association of Mapua Alumni (NAMA), MAA initiated the NAMA-MAA scholarship program during the school year 2011-2012. Since then, the program has been granting full scholarships (that cover tuition and miscellaneous fees) to deserving but economically disadvantaged MIT students, with preference given to those in their final terms of study. The first MAA scholar in

2011-12, Karl Clemente graduated on 23 August 2012 with the degree of Bachelor of Science in Computer Engineering (shown below with MIT President Reynaldo Vea).

Other scholars came in quick succession: Kenneth Flores (ME), Gladys Acervo (ECE), Lei An Tirona (ChEChem), Christine Abando (Multi Media Arts), and Melvin Sabile (now in his final term in ECE). The current scholar Kristine Fajardo is completing ECE in term 1 of the academic year 2015-16.

MAA BRINGS MAPUA WORLD TO SYDNEY

During the Mapua World 2011 at Calgary, Alberta, MAA won the bid to host Mapua World 2015. In doing so, MAA has taken on the task of bringing together to the port of Sydney hundreds of MIT alumni now based in different parts of the world during the 2015 Mapua World convention from 10-13 September. The four-day meet is anchored on the theme: **WE ARE PROUD. WE ARE ONE. WE ARE MAPUANS.**

The Mapua World 2015 logo was designed by Architect Joseph Calasara, an MAA member based in Perth, Western Australia. Joseph is also the author of the Mapua World 2015 theme

ENVIRONMENTAL CONSCIOUSNESS

In a bid to help maintain local reserves, MAA has consistently joined since 2009 the local National Tree Day planting activity which is sponsored by the Blacktown City. Below, the MAA family joined other tree planting volunteers on Sunday 26 July 2015 at the McKillop Drive Reserve, Baulkham Hills, NSW.

FAMILY AND SOCIAL GATHERINGS

Annually, MAA holds various family and social gatherings. The MAA Christmas party tradition started in 2009 and has been an annual event since then. In 2014, MAA held a Christmas picnic on 29 November at Bella Vista Farm.

The annual induction for new members and the incoming MAA Board, held every first quarter of the year, is another event well attended by members and their families. Below, new members pose with Consul General Anne Jalando-on Louis after their induction on 21 March 2015 at the Pinoy Lounge in Blacktown.

MAPUA ALUMNI AUSTRALIA

Add to the social events the regular quarterly and special board meetings where all members are enjoined to attend and to participate in the discussion of MAA affairs and activities.

SPORTING EVENTS

The MAA Annual Bowling Tournament which was started in 2011 is open to MAA members, their families and MAA friends with a perpetual trophy at stake.

On 16 November 2014, MAA held its first golf tournament open to members and supporters, as a precursor to the Mapua World 2015 golf tournament. The event also raised fund for the Mapua World 2015.

Not to be missed are the friendly interuniversity basketball matches where Mapuans, players and spectators alike, relive their basketball days in college.

FUND RAISING ACTIVITIES

To raise fund for its scholarship and other projects, MAA joins the annual Woodcroft Festival every September selling bric-a-bracs and pre-loved items donated by members.

MAPUA ALUMNI AUSTRALIA
Unity
Loyalty
Social responsibility

Raffle tickets are also sold during MAA social gatherings, with prizes being donated by members and supporters.

A "Run for a Scholar" fund raising is done during the annual Sydney City to Surf fun run every August, with MAA members and supporters joining the event. This year, the MAA runners hit the road again last 9 August.

OUTREACH PROJECTS

MAA has been actively involved in giving aids to victims of calamities in the Philippines, coordinating with FOMI and other groups in the Philippines as well as with Filipino community organizations in Australia.

AND A HELPING HAND.....

Giving assistance to newly arrived MIT alumni or any alumni who find themselves in a tight situation is a service area that MAA is looking into. MAA has taken initial steps towards this direction with the formation of a Care and Development Committee and has in fact already extended aids in a number of cases.

AFTER SEVEN YEARS, MAA MOVES ON TO FURTHER PURSUE ITS VISION

To be a catalyst for society's betterment and advancement through educational, cultural and responsive civic activities

aboutmapua world 2015logo&slogan conceptinspirationdesignrationale

we are proud. we are one. we are mapuans.

we take pride as graduates from the best engineering institution in the Philippines
we are one family, supporting each other's success and helping each other succeed
wherever we are, whatever we do, nothing can change the fact we are Mapuans

An abstract and contemporary illustration of **mapua world 2015**...

A crowd of dots represents the Mapuans around the world gathered together passing through a curve highway symbolizing engineering, design and architecture towards the opera house - an iconic symbol of Sydney, Australia to the world.

The red and gold are the colours of cardinals forming an outline similar to the famous Australian flora -the kangaroo paws.

Generally, a circular formation is a representation of the unity amongst Mapuans... wherever part of the world he might be...

By Marissa Ignacio –Manoto MIE Nov'81

The MW2015 Logo, slogan and souvenir program cover are all designs and creations of **Joseph Calasara** – BS Architecture 2004, current Display Homes Designer at Webb and Brown-Neaves – premium home builders based in Perth, Western Australia.

He was MAA Board Director 2013 and 2014 and married to Mariel Angela Aquino-Calasara

MANILA WATER
CARE IN EVERY DROP

Manila Water is the east concessionaire of Metropolitan Waterworks and Sewerage System (MWSS) and was privatized in 1997. The 40-year water and used water concession agreement with MWSS is until 2037. It is an internationally acclaimed example of a successful Public-Private Partnership (PPP) with MWSS.

Manila Water provides quality water and used water services to over 6.3 million people from 23 cities and municipalities of eastern Metro Manila and Rizal Province.

Going beyond the borders of Manila's East Zone, Manila Water now operates in Boracay, Cebu, Clark, Laguna and Vietnam, bringing its expertise and experience to the country's top metros and in Asia's emerging mega-cities.

Manila Water is part of the Ayala Group, one of the most respected and trusted business groups in the Philippines with a diversified business portfolio.

Guillermo (Bill) Capati

First MAA TOM (The Outstanding Mapúan) Awardee

Guillermo (Bill) Capati, current MAA Board Director, has been awarded "The Outstanding Mapúan in the Professional Field of Civil Engineering" for 2015 – known as MIT-NAMA TOM award. Bill is the first Australian/MAA recipient of the TOM award. The awarding ceremony was held during the 81st Grand Alumni Homecoming on 15 May 2015 at the Solaire Resort & Casino, Magsaysay Blvd., Metro-Manila, Philippines.

The Outstanding Mapúan (TOM) is a joint annual project of the Mapúa Institute of Technology (MIT) and the National Association of Mapúa Alumni (NAMA). The TOM project primarily seeks to give due recognition to the alumni of MIT who have excelled in their profession or vocation, or have made outstanding contributions to the welfare of the school, the community, the country, and/or the world. MAA is a duly recognised international chapter of the National Association of Mapúa Alumni, Inc (NAMA)

Bill has over 40 years of professional experience, with the last 20 years working at the City of Gold Coast where he is currently the Manager Service Sustainability. He is a Fellow of Engineers Australia (FIEAust), a Chartered Professional Engineer (CPEng) and a Registered Professional Engineer of Queensland (RPEQ) in the area of Civil and Environmental Engineering.

In 2008, he was appointed Adjunct Professor at the Advanced Water Management Centre, University of Queensland, Australia. Bill is an expert in the field of environmental sustainability and throughout his professional career, has achieved first rate environmental, social and economic outcomes through innovation and improving traditional water management practices. He has received many awards and recognitions in Australia relatung to this field.

Bill graduated from the Mapua Institute of Technology with the degree of Civil Engineering in 1973 and Sanitary Engineering in 1974. He is married to Minerva Guce for 35 years and has three children; Maria, Gian and Guia Anna. Bill is the first MAA member and MAA Board from the state of Queensland. He is the Chairperson of the Technical Seminar of 8th MapuaWorld 2015 Convention and Grand Reunion hosted by MAA in Sydney, Australia from 10 – 3 September 2015. MAA congratulates Bill for his award and wishes him more success in his career!!

Alma Mater Song

Alma Mater, a song from the builders,
You embody the goal to attain,
Hear a song from the hearts of the wielders,
Of compass and transit and chain.

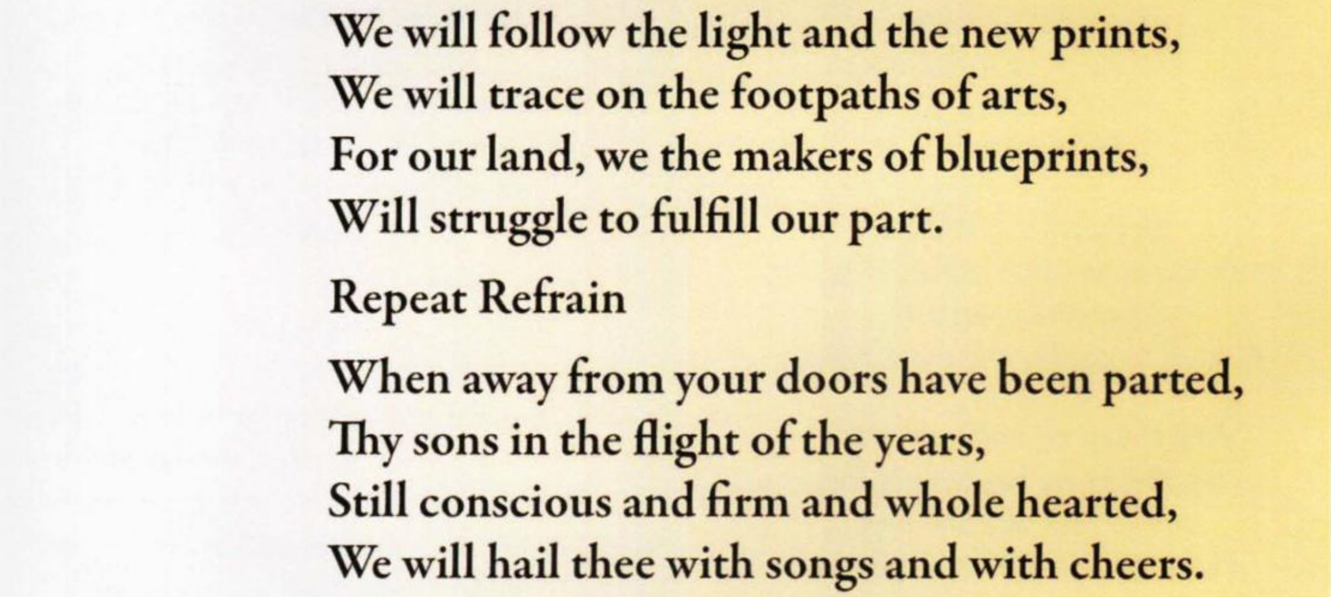
Refrain:

Alma Mater, your name and your story,
We raise our glad voices to thee,
We will strive for the fame and glory,
Of the M and I and T.

We will follow the light and the new prints,
We will trace on the footpaths of arts,
For our land, we the makers of blueprints,
Will struggle to fulfill our part.

Repeat Refrain

When away from your doors have been parted,
Thy sons in the flight of the years,
Still conscious and firm and whole hearted,
We will hail thee with songs and with cheers.



PHILIPPINE NATIONAL ANTHEM

(Lupang Hinirang)

Bayang magiliw
Perlas ng Silanganan,
Alab ng puso,
Sa dibdib mo'y buhay.
Lupang Hinirang,
Duyan ka ng magiting,
Sa manlulupig,
Di ka pasisiil.

Sa dagat at bundok,
Sa simoy at sa langit mong bughaw,
May dilag ang tula
At awit sa paglayang minamahal.

Ang kislap ng watawat mo'y
Tagumpay na nagniningning,
Ang bituin at araw niya
Kailan pa ma'y di magdidilim.

Lupa ng araw,
ng luwalhati't pagsinta,
Buhay ay langit sa piling mo.
Aming ligaya,
na pag may mangaapi
Ang mamatay nang dahil sa iyo.

AUSTRALIAN NATIONAL ANTHEM

(Advance Australia Fair)

Australians all let us rejoice,
For we are young and free;
We've golden soil and wealth for toil;
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing,
Advance Australia Fair.

Beneath our radiant Southern Cross
We'll toil with hearts and hands;
To make this Commonwealth of ours
Renowned of all the lands;
For those who've come across the seas
We've boundless plains to share;
With courage let us all combine
To Advance Australia Fair.
In joyful strains then let us sing,
Advance Australia Fair.

ACKNOWLEDGMENT

Our sincere gratitude goes to all the people who have been part of this long journey, for the unwavering support of their families and friends to make this event a reality.
